SENIOR CITIZENS

The members and officers of the Palmyra Senior Citizens group are reporting another successful year for 1979.

Regular monthly meetings have been held, and we are happy to have had several local residents join us as members during the year.

The Welcome sign is always out to anyone interested in fun suppers and get-togethers for enjoyable fellowship, to come and join with us once at month at the Consolidated School.

We have had Oyster Stew and Spaghetti Suppers, in addition to the usual Pot Luck Buffets at the school, as well as "Dutch Treat" eat-out nights in various local restaurants, and have also enjoyed Halloween and Christmas parties.

Our Merry Music Makers, Nettie Rice, Howard McConnell and Cy Holt, have entertained us faithfully throughout the year.

Our condolences have been sent to those in grief and distress, and our sick and shut-ins have been remembered. We would appreciate being informed of any need for these courtesies.

We wish to thank you for your past support.

President, Clair Lewis

Vice President, Nettie Rice

Secretary-Treasurer, Dorothy Kurt

Board of Selectmen
Palmyra, Maine 04965

I have examined the financial records of the Town of Palmyra for the year ended February 12, 1979. The examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion, subject to the comments and recommendations which are part of this report, the accompanying Balance Sheet and related statements and Exhibits present fairly the financial position of the Town of Palmyra at February 12, 1979, and the results of its operations for the period then ended, in conformity with generally accepted principles of municipal accounting applied on a consistent basis.

I have previously made a similar examination of the financial statements for the prior year and include these figures for comparative purposes.

Comments
Year Ended February 12, 1979

Scope of Audit:

The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Cash accounts were verified by reconciliation of statements furnished by the depositories and by direct bank confirmation.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and cancelled checks were examined on a selective basis. Letters of confirmation were used on a test basis to verify the correctness of recorded assets and liabilities.

Excise tax collections were verified on a selective basis with copies of receipts retained by the tax collector. Trust and agency fund transactions were examined.

Operational Results:

The operational deficit of (\$10,681.04) for the year is summarized as follows:

Departmental Accounts:

Unexpended Balance	\$13,789.06
Overdrafts	<u>(24,470.10)</u>
Net Overdrafts	\$(10,681.04)

Departmental account balances of \$5,719.09 were carried forward to the ensuing year.

The unappropriated surplus amounted to \$74,846.98, an increase of \$10,972.72 for the year. The change was occasioned principally by the transfer to reduce the tax levy along with the operational loss and unappropriated excise tax revenue.

Trust and Agency Funds:

The records, maintained by the town treasurer of the various funds were examined. Cash accounts were verified and securities were checked.
